

# WE RESTITUTE THE BALANCE IN THE NATURE

Bank Ochrony Środowiska S.A. is an environmental friendly bank, supporting activities targeted on sustainable development. Technical experts working in every branch of our bank, are ready to assist customers at every stage of the implementation or financing of any pro-ecological investment. Through active cooperation with number of international financial institutions BOŚ S.A. attracts funds to make its product portfolio dedicated to pro-environmental undertakings more advantageous than others one.

**Bank Ochrony Środowiska S.A. as the first Polish bank has started the implementation of The Zero CO<sub>2</sub> Emissions Programme.**
